

**EPSON®**  
EXCEED YOUR VISION

Epson  
Stylus Pro 7880

## The highest quality A1/24" colour and black & white production printer

Take larger format printing to new levels of quality, stability and consistency. Discover Epson UltraChrome™ K3 ink with Vivid Magenta technology, and combine superb results with improved productivity.

Produce superb neutral black & white images and truly outstanding colour reproduction from one printer. Set new standards with Epson UltraChrome K3 ink with Vivid Magenta technology, three blacks and enhanced image processing technology.

This printer creates results that satisfy the exacting demands of the proofing, photography and fine art markets. It enhances productivity with new printer drivers, simple operation and a wide media choice.

**Ideal for proofing, photography and fine art** – get contract quality results for demanding applications

**Outstanding colour and black & white prints** – achieve superb image quality, high colour stability and maximum tonal gradation

**A step up in smooth, natural colour** – thanks to Epson UltraChrome K3 inks with Vivid Magenta technology

**Enhanced image processing technology** – extended colour representation of reds and blues

**Photo realistic quality that lasts** – impressive lightfastness for consistent, repeatable quality

**Versatile media handling** – choose from an extensive range of matte, gloss and fine art finishes

**Improved productivity** – fast print speeds and high capacity ink cartridges for overnight printing

**Simple operation** – customise, share and memorise settings with new printer drivers

### Key benefits:

- Setting a new standard in A1/24" production printing
- Epson UltraChrome K3 ink with Vivid Magenta technology
- The perfect proofing, photography and fine art printer
- High versatility through a wide choice of media

**Epson Stylus Pro 7880**

<b>Size</b>	24" (A1)	
<b>Print technology</b>	Epson Micro Piezo™ drop-on-demand inkjet technology Epson Variable-sized Droplet Technology and 3.5 pl Epson Ultra Micro Dot™ Print head configuration: 180 nozzles x 8 colours	
<b>Ink System</b>	9 colour pigmented ink (C, VM, Y, LC, VLM, LK, LLK, Photo K, Matte K) with CSIC with 8 slots (one slot for interchangeable Matte K and Photo K) Ink conversion cartridges required for ink change between Matte K and Photo K are delivered with the unit	
<b>Resolution</b>	2880 x 1440 dpi Bi-Directional, Epson Variable-sized Droplet Technology	
<b>Speed</b>	Up to 14.3 m <sup>2</sup> / Hr (A1 / Plain paper / Draft mode)
