

ECO plan filing - combi mobile

Overview

Ideal for offices needing to file a combination of A0 plans together with flexible shelving for books, ring binders and folders, the ECO combi mobile stand combines three height-adjustable metal shelves with a capacity of 12 planholders – up to 1,200 plans.

- Includes 3 height-adjustable shelves with integral bookends and upstand
- Robust all-steel construction with durable black epoxy paint
- A0 size only (clamp on short edge)
- Mounted on castors to allow simple movement around the office; brakes keep it in place
- Small footprint of 60x99cm
- Simple self-assembly with tools included
