Produce professional prints and proofs of the highest quality with this versatile 24-inch photo printer and proofer. Able to produce 98% of Pantone-certified¹ colours for accurate reproduction, the SC-P7000 comes with an ten-colour ink-set and an Epson TFP PrecisionCore printhead to create accurate and long-lasting results. This advanced engineering is coupled with a range of easy-to-use features.

Wide colour gamut

Featuring an UltraChrome HDX ten-colour pigment ink-set, the SC-P7000 delivers 98% of Pantone®-certified¹ colours to create superior-quality, highly-accurate results with bright, vivid colours. For stunning prints, an Advanced Black and White Mode helps produce high density, deep, rich blacks and ultra-smooth tones.

Reliable and efficient

Utilising an Epson TFP PrecisionCore printhead and automated nozzle-check function, users can be sure they will deliver consistent results and the highest quality output. Consistent colour reproduction is guaranteed, time after time and without the need for expensive add ons, thanks to an Epson Colour Calibration utility and optional Spectroproofer powered by X-Rite for fast, accurate colour measurement.

Easy to use and cost-effective

Every aspect of the printer has been designed to maximise ease of use and reliability. Media changing is fast and simple with a clear LCD control panel and menu, while a choice of 350ml and 700ml individual cartridges enables longer print runs between cartridge replacements. With an optional 320Gb hard disk, users can free up their computer and store multiple jobs onto the printer ready for output.

Long-lasting results

Thanks to a superior lightfastness, prints will continue to look their best long after they are created. In fact, prints on Premium Glossy Photo Paper can last up to 60 years².

KEY FEATURES

- **UltraChrome HDX pigment inks**
Delivers highly-accurate colours with 98% of Pantone®
- **Epson TFP PrecisionCore printhead**
Ensure consistent results and high-quality, reliable output
- **Superior lightfastness**
Prints on Premium Glossy Photo Paper can last up to 60 years²
- **High-capacity ink cartridges**
Longer print runs between cartridge replacements
- **Easy to use**
Clear LCD control panel and optional 320Gb hard disk
